

BETA Cable Accessory Kit

BETA-CABLESET-1.0

Product Overview

Our BETA touchscreen Platform range is designed and manufactured in the UK. Our BETA touchscreen HMI range offers great value for money together with excellent engineering and high reliability. We pride ourselves on providing the highest level of technical support so that, if necessary, you have access to information when you need it.

This BETA Cable Accessory Kit is designed for use with one of our BETA modules, which are available in sizes 4.3", 7", and 9.7" as standard.
